HAICHEUR MOHAMED AMINE

Full Stack Web Developer &
Mathematics Enthusiast

PERSONAL PROFILE

Applied Mathematics student with a strong interest in web development and technology. Skilled in building responsive and structured frontend applications using modern tools such as React and TypeScript. Actively involved in academic and technical projects, with experience in teamwork, problem-solving, and student club activities. Motivated, self-driven, and eager to gain practical experience through internships and real-world projects.

WORK EXPERIENCE

- FRONTEND WEB DEVELOPER – ACADEMIC & PERSONAL PROJECTS**
2024 – Present
 - Designed and developed responsive web interfaces using HTML, CSS, JavaScript, and React (TypeScript).
 - Built interactive components and structured frontend architectures for small web applications.
 - Integrated frontend applications with Firebase and MySQL-based backends.
 - Focused on clean UI, usability, and performance optimization.
 - Collaborated on projects by dividing frontend and backend responsibilities.
- MEMBER & ORGANIZER – MATHEMATICAL CLUB (VARPHI CLUB)**
2024 – Present
 - Active core member responsible for internal relations, coordination, and team communication.
 - Managed the club's technical and IT-related activities, including digital tools and online platforms.
 - Assisted in the development and maintenance of web pages and digital content for club activities and events.
 - Participated in organizing academic and recreational events, including logic- and mathematics-based activities.
 - Contributed to problem-solving challenges and educational initiatives.
 - Supported members with technical guidance and troubleshooting when needed.
 - Developed strong communication, leadership, teamwork, and organizational skills.

PROFESSIONAL VIDEO EDITOR (2025 – PRESENT)

CREATE AND EDIT HIGH-QUALITY EDUCATIONAL AND PROMOTIONAL VIDEOS USING CAPCUT AND DAVINCI RESOLVE, WITH A STRONG FOCUS ON VISUAL STORYTELLING, PACING, AND CONTENT CLARITY.
